

## You Are the Manifestation

When I was a little girl, I was told that I was made in the image and likeness of God. Of course, I thought that meant God had a body just like mine and looked like a human being. Now, many years later, I'm pretty sure my early interpretation wasn't quite on the mark!

*You are a direct manifestation of God. You are made in His image and likeness.*

What exactly does that mean? It means the greatness of God is the greatness of you – everything God is – you are also, because God is within you. Wayne Dyer says although it's impossible to put a name or symbol on this force, according to master teachers, experience, and studies, he put together 7 faces to describe what it means. These faces are: creativity, kindness, love, beauty, expansion (always evolving and increasing all aspects of life beneficially), abundance (attracting unlimited prosperity by positive belief and affirmation), and receptivity (being peacefully patient and open to receive truth and what you need on all levels without judgment while being grateful).

What that means is since you are made in God's image and likeness and are His direct manifestation, *you* manifest creativity, kindness, love, beauty, expansion, abundance, and receptivity. How could you be any less? How could you possibly see yourself as mediocre? Of course this doesn't mean we walk around feeling smug or egotistical because we're just like God – quite the opposite – God does not need to prove how great He is – He simply is.

The energy of God is the energy of love. Therefore, *you are love manifest*, and love is the energy that connects every single being, thought, creation, universe, all seen and unseen, known and unknown – *everything* is connected by this love, which is God. Once we understand this concept and accept it fully into our hearts, we will know what it means to be made in the image and likeness of God, a direct manifestation of All That Is.
